Dock Bush, N. D. Mitchell and Supt. Chambers were arraigned before County Judge G. T. Center, Saturday, charged with breaking into the Torrent school house. Upon investigation the cases were promptly dismissed.

Representative Patrick, of Magoffin county, was in town Thursday and Friday of last week advertising and making arrangements for the Wolfe county farmers institute to be held here Friday and Saturday of this week. This meeting should be well attended by the farmers of the entire county as interesting lectures on the various farm subjects will be delivered by practical and scientific farmers employed by the state.

Deputy Sheriff Walter Oliver and a posse of men composed of T. F. Stamper, Roy Smith, J. T. Hanks and Pres Spencer, all of this county, arrested Floyd Spencer near Torrent, in this county, this morning just at daybreak. Spencer was indicted in the Wolfe Circuit court in September, 1905, for the murder of Millard Brewer a few months prior to that time. He was admitted to bail in the sum of \$2,500 and having executed bond was released. He was not free long until he left the county and his bondsmen had been unable to locate him until his return to the county two days ago. During his absence from the county he was a private in the United States army, his term of enlistment having just expired. The deputy sheriff and his posse left Campton just at dark, and in some way young Spencer had heard of their coming and had gathered around him three other armed men and left home just before the arrival of the deputy sheriff and his posse. He and his friends were followed to the home of his

grandmother and there overtaken. But here again he eluded his followers, being warned by the barking of a dog just as they came up, and put forward into the woods. Going about three-fourths of a mile further he and his friends built a fire in the woods and were soon located by Deputy Sheriff Oliver and party. Spencer was surrounded, and at daylight, the signal having been given, Oliver and his crowd closed in, revolvers in hand. Spencer snatched up a sixteen-shot army gun and was in the act of firing, when two shots from the revolver of Pres Spencer caused him to drop the gun and surrender. Spencer was brought here and lodged in jail, where he will be held to await trial at the coming September term of court. July 28. S. S.

Best the World Affords.

"It gives me unbounded pleasure to recommend Bucklen's Arnica Salve," says J. W. Jenkins, of Chapel Hill, N. C. "I am convinced it is the best salve the world affords. It cured a felon on my thumb, and it never fails to heal every sore, burn or wound to which it is applied. 25c at all dealers."

John Smyth, of this place, went to Illinois some two weeks ago to work. The writer received a letter that he was seriously sick, and

his home folks are wonderfully distressed.

The school election in this part of the county has finally got to be very exciting, and it can be seen in many instances that there is more interest in the individual than in the little boys and girls.

A letter was received last week by the writer from J. B. Swango, of Illinois, in which he states that while crops are good the prospects for the price of corn is good, it being predicted that it will start off at 60 cents a bushel, something unheard of before at that place. July 27. ANON.

Miss Julia Rose, of Boonville, is expected today for a two weeks' visit with relatives and friends in this neighborhood.

Misses Cora and Joanna Rose attended church on Stillwater yesterday, took dinner and had quite

a pleasant stay at the home of Wm. Hurst, Jr.

J. P. Rose, wife and daughter, Miss Lulu, visited their old home last week leaving Miss Lulu for a few days. Her pleasant face and jolly disposition made the week seem quite short and pleasant.

School was opened on Upper Gillmore, 13th inst., with Miss Melissa Shackelford as teacher. The patrons and pupils were so well pleased with her last year's work that they would just have her back again. The new school house at that place is nearly completed.

\$100 REWARD! \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by all Druggists. Take Hall's Family Pills for constipation.

STILLWATER SPARKLES.

Bill Crain called on his girl on Stillwater Sunday.

R. C. Wells stopped with J. A. Rose and family Saturday night.

Mann Kelly and wife, of Helechwah, who have been visiting relatives on Stillwater for the past week, returned home Sunday.

J. Frank Dunn and Monroe Rose went to Oakdale, Breathitt county, Thursday of last week to look after some important business.

Reva Jeff Brewer and Bob Murphy, of this creek, went to Sulphur Springs, in Menifee county, to preach to the people in that section and returned Sunday.

A quarrel arose on Laurel Sunday morning between James Brewer and Miles Trent over a trivial matter, and it seemed for a time that there was going to be serious trouble as both parties were well armed and seemed anxious to try their luck on each other. A mutual friend who was present prevented both parties from using their shotguns. July 27. DOMINGO.

It Can't Be Beat.

The best of all teachers is experience. C. M. Harden, of Silver City, N. C., says: "I find Electric Bitters does all that is claimed for it. For stomach, liver and kidney troubles it can't be beat. I have tried it and find it a most excellent medicine." Mr. Harden is right; it's the best of all medicines also for weakness, lame back and all run-down conditions. Best, too, for chills and malaria. Sold under guarantee at all dealers. 50c

Succeeds His Father as Editor.

Julian Harris, son of Joel Chandler Harris, succeeds his father as editor as "Uncle Remus"—The Home Magazine, retaining also his original position as general manager. Don R. Marquis, who has already made a national reputation through his editorials, poems and short stories, is to continue as associate editor of the magazine.

From his childhood, Julian Harris had been the companion of his father, and he was the organizing spirit of the magazine.

When 17 years of age, the younger Harris became a reporter for the Atlanta Herald. A year later he became connected with the Atlanta Constitution, and when 20 years of age he went to Chicago and became assistant Sunday editor of the Times-Herald. He returned to Atlanta to become night editor of the Constitution when 21 years of age, and two years later was promoted to the managing editorship of that paper—a distinction probably unprecedented for a man of his years in the history of southern journalism. He is the author of a play soon to be staged by Nixon & Zimmerman, and has written a number of short stories, descriptive articles and essays.

He is his father's literary executor, and not only are "Uncle Remus's" last writings in his possession, but through his collaboration with his father on two important unpublished works—which will be given to the public during the year—and his intimate acquaintance with the purposes and ideals of his father, he is eminently fitted to carry out the cherished plans of the founder of the magazine.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is overworking in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

J. H. Williams and sister, of Caney, were guests of the Day House Saturday night and Sunday.

A. Goldberg and Tom and Albert Endicott, of Cynthiana, have joined the crowd at the Swango House.

Cora, Dora and Nora, the Bailey triplets, of Gillmore creek, created quite a furore on a visit to Jackson recently.

Miss Maude Tyler, of Campton, is the guest of her cousin, Miss Molly Swango, and attending the teachers' institute.

W. H. Chambers, county superintendent, made THE HERALD a social call while attending the institute this week.

Mrs. W. B. Hughes, of Pomeroyton, is visiting home folks and attending the bedside of her mother who is very ill with pneumonia.

Aunt Nancy Swango spent last week with her son-in-law, J. F. Cecil, at Grassy Creek, Mr. Cecil accompanying her home Saturday.

Curt Walter spent several days this week at Caney at the bedside of his mother, who was reported seriously ill, but is now somewhat better.

Rev. D. G. Combs is very sick at the home of his daughter, Mrs. Q. C. Daniel. His wife came up Saturday from Morehead to be at his bedside.

Mr. and Mrs. Sam Osborne, of Gillmore, and Brock Little and wife, of Campton, passed through here Monday en route to Grassy to visit relatives.

Joel Cox, Jr., came over from the Pine Ridge neighborhood to attend the institute this week, and while here made a pleasant call at THE HERALD office.

Billee Schooler, erstwhile editor of a paper at Morehead, one time an employe of THE HERALD, a U. S. storekeeper in the Seventh Revenue District for a season and on the whole a gentleman of vast versatility, under the nom de plume of "Uncle Bill" is now cutting a wide swath on The Courier, at Lakeside, Ohio, where he wields a fairly sharp blade and seems to be winnowing friends in stacks. To his friends in Old Kaintuck, and especially those who remember his kaleidoscopic career, this will be a gratifying bit of news. But fame, Billee, is a fickle god; one slander will snuff it to a smirch. Honor and shame from no condition rise: Act well your part—there the honor lies.

F. N. Day had quite a severe attack of something like cholera morbus Saturday night and Sunday, supposedly from eating watermelon, but was able to be at the store bright and early Monday morning. His daughter, Virginia, was also attacked and Fred says he had to call in the doctor to give her relief.

The first election under the new school law comes off next Saturday, August 1, and as only one trustee does the work of the district so only one is to be elected. So important are the duties of the trustee under the new law that each district in the county should see that the best man is chosen for the position.

Sam Wilson, the painter-poet, came in Monday morning and informed us that he had suffered severely Sunday with an attack of old-fashioned chills and fever. He brought in a subscription to help along the editor, and took out with him a lot of Powders and pills To break the chills.

The city street gang was out the first of the week doing some work on the streets. They done some plowing and scraping near the foot of Rich Hill, but the big mudhole, which after each shower is almost impassable, just east of THE HERALD building, near the top of the hill, was left untouched.

Dr. G. M. Center reports the following births during the past week: To the wife of Gus Taulbee, on Lacy creek, a boy; to Mrs. Adkins, a girl, and, by forceps delivery, to the wife of Richard Herald, a daughter of Cal Cundiff, of Laurel, a 13-lb boy, mother and child doing well.

J. H. Wilson and family, of Mt. Sterling, are spending the week with W. A. Oldfield and family at Toliver. Mr. Wilson embraced the opportunity Tuesday of calling at THE HERALD office and having inserted a notice of a farm for sale. You will find it elsewhere in this issue.

We are reliably informed that the stork recently made a visit to the home of Mr. and Mrs. Lee Caskey and left a darling little cherub of a girl baby. The mother and child are doing nicely, and if you want any further information as regards weight, etc., ask Dr. Taylor Center.

Harry Tanner, accompanied by his mother, Mrs. John A. Tanner, and Miss Alabama Botkin, left Sunday morning, via Torrent, for their homes in Winchester. They had been sojourning at Rittenhouse Ranch and partaking of the famous Swango Springs water.

Proof of Its Power.

All who doubt the efficacy of THE HERALD as a medium through which to advertise their wants and have the same gratified should digest the following testimonial of its worth, which is from the pen of Col. W. J. Lampton, a gentleman of vast and varied experience in all matters pertaining to publicity. He says: "Dear Cooper—Let me commend THE HERALD as an advertising medium. You gave my book, 'Jedge Waxem's Pocket-book of Politics,' a notice some time ago, and I have had an order from Mr. S. G. Sample, esq., of Campton, for a copy, and another from J. H. Swango, esq., of Terre Haute, Ind. If THE HERALD can do so well at long range it should be worth a great deal more to advertisers who are in its field and reap its benefits on the spot. The local merchant who overlooks THE HERALD as a prime aid to business ought to shut up shop till he learns how to sell goods. Here's hoping for all good, including weather not so hot as we have it here. My compliments to your better 15-16. New York, 7-20."

Rev. H. J. Derthick returned Saturday evening from his vacation outing in Ohio. He is this week conducting the teachers' institute in Pearre Hall.

Albert Jones and wife, of Mt. Sterling, Mrs. D. B. Mitchell, of Carlisle, and her sister, Miss Florence Stouts, of Maysville, are the late arrivals at the Swango House.

Rev. E. L. Southgate, presiding elder of the M. E. church, South, will hold quarterly conference at Goodwin's Chapel Sunday, August 9, and at Hazel Green August 10 and 11.

Mrs. Barney Blankenship and little daughter, accompanied by Frank Wallis, came up from Montgomery county yesterday on a visit to relatives in and around Hazel Green.

After a sojourn of several weeks at High Oaks sanitarium, Lexington, J. Taylor Day returned home Monday evening much improved. He was accompanied home by his grandson, Jesse Kash.

The ladies of the cemetery association will hold an ice cream social at the Sarah K. Yancey Home tonight. A cordial invitation is extended to all and a big crowd is expected to be in attendance.

Mrs. C. F. Kash has the thanks of the editor and his better seven-eighths for eight or nine very fine large luscious ripe tomatoes, and she seems to have a knack of raising them, judging from their profusion in her garden.

Tuesday afternoon THE HERALD office was favored with a social call from Misses Stella Manker, Retta Stamper, Nora Stamper and Mae Williams. Call again, young ladies, as the pleasant sunshine of your smiling faces helps dispel the gloom which oft surrounds us.

THINKING OF MOVING WEST?

If not, then make up your mind and write me for descriptive list of farms in Missouri, Kansas and Oklahoma. All fine, level, productive land that will grow anything under the sun, at prices ranging from \$15 to \$40 an acre, and come where life is made tolerable by easy, profitable farming. Why sweat and fret life away in the vain effort to eke out a mere miserable subsistence from the rock-ribbed, root-locked hillsides as your father and father's father did, when there is so much good land to be had yet awhile for a mere song? Get out of the rut—break away from the time-worn habit that keeps your nose to the grindstone. All it takes is resolution and a little nerve. Write me, and let me help you to a better condition.

Sleep

Sleep is nature's rebuilding period, when the energy used by the brain, muscles and organs is renewed. If you lose sleep, your system is robbed of the strength sleep should give. Continued loss of sleep multiplies this loss until you become a physical wreck. Dr. Miles' Nervine quiets the irritated nerves and brings refreshing, invigorating sleep. Nervine contains no opiates, and therefore leaves no bad after-effects.

For over two years I suffered untold agonies; my friends thought I was going crazy. I could not sleep nor rest at all. I tried different doctors, but failed to find relief. My head would ache all the time; I was like one drunk; could not concentrate my mind, and was so restless and worried that sleep was out of the question. After taking one bottle of Dr. Miles' Nervine I felt wonderfully changed. I am now on my third bottle and am gaining all the time. I can lie down and sleep like a child, and am able to do my work."

"LET US ALONE."

"Let us alone!" is the cry we hear From the East and West, from far and near: From the man on the farm, With his fertile land: From the man in the mill, With his willing hand: From the man in the store, With his goods for sale: From the man on the train, With its rusty rail: From the man in the bank, With the money there: From the man on the sea, With the weather fair: From the man with the pick, And a job in sight: From the millionaire, With his cash all right: From these and from those, the great and the small, Is coming the clear, insistent call: "Let us alone and we will rise Again on the wings of enterprise: We have felt the stroke of the Panic hand That has smitten the progress of the land, But the spirit remains and we've got the goods That will bring us in safety out of the woods, And set Prosperity again on her throne— But let us alone: Say, let us alone, Won't you?"

While out playing with some companions, the little son of J. W. Bird-whistle, of Anderson county, was seized by a large sow and severely bitten and bruised by the enraged animal.

Attorney W. A. Young and wife celebrated their crystal wedding at their Rowan county home on the 22nd. There were several hundred guests from all parts of the state in attendance.

While arranging a springboard for the boys to dive from, Joe Krittling, a watchman on a wharfboat at Paducah, fell into the Ohio river and was drowned. His body was not recovered.

What was probably the hottest contested local option election ever held in the history of the nation came off in Georgetown last week when the "wets" won by the remarkable majority of one.

At Faywood, near the boundary between Woodford and Scott counties, George Peake, aged 21, shot and killed his brother-in-law, James Newton, aged 25. The killing was the result of a family quarrel. Peake surrendered.

Albert Buckler, a farmer of Bath county, was the victim of a peculiar accident recently. While cutting hay he was thrown from the machine and upon an oil can, the spout of which penetrated the heart, making a dangerous wound.

Lee Figg, accused of bribing an alderman of Louisville, was held over to the Jefferson grand jury in the sum of \$10,000. Figg is a contractor and is charged with having tried to bribe Alderman Hess to secure the approval of a \$6,000 voucher.

James Bobbett, a farmer of Butler county, beat his wife and shot Perry Hightower, a deputy sheriff and the woman's brother, and another man who tried to interfere. He locked himself in a house and defied the officers, but later surrendered.

At Sharpsburg last week Geo. Crockett and Miss Mae Bratton were united in marriage. Rev. George W. Prentiss officiating, and William Warner and Miss Anna Carmichael were also joined in the holy bonds of wedlock by Wesley Blevins, Esq.

County Jailor Enoch Prince, of Lyon county, has served notice on the soldiers that they must evacuate the courthouse. County Judge Crumbaugh says they may remain. Five more soldiers were added to the detail, making eighteen on duty in Lyon county.

Miss Minnie Nowlin, daughter of Enos Nowlin, and Noah Johnson, a young business man, all of Tyrone, went buggy riding one evening last week and were married by Rev. E. S. Mitchell, of the Christian church, on a bridge while seated in the buggy.

mountain districts to raid illicit distilleries. The region is almost inaccessible and no news will be heard from the men until they return to Jackson or Beattyville.

Det. officers are searching for Mrs. Maggie Stephens, wanted in Paducah on a charge of attempting to bribe Alderman H. T. Miller. She is alleged to have left a check for \$100 on Miller's office desk after calling on him in the interest of her husband's application for a saloon license.

A fall of perhaps 60 feet from the third story of the Delmonico building, in Middlesboro, resulted only in a cut lip and a slight bruise on the head of two-year-old Pierre Frazier. The little one was playing when she fell out of the window, striking her head on the asphalt pavement below. She was rendered unconscious, but soon recovered.

Night riders set fire to the depots at Gracey, in Christian county, Cerulean, in Trigg county, and Otter Pond, in Caldwell county, all on the Princeton and Hopkinsville branch of the I. C. R. R. The fires all occurred at the same hour and were started because the railroad company had allowed soldiers to encamp on its right of way.

The citizens of Jackson are trying to extend the term of public school from six months to nine months, and conferred with the trustees of Lee Collegiate Institute as to the feasibility of the plan. Dr. Cummings, of Winchester, representing the Institute, offered to take charge of the public school and extend it to a nine months' term if the people of Jackson would make good any deficit incurred not exceeding \$1,100.

Exiled from home and unable to attend his mother's funeral or minister to his stricken father, John Stephens, with his wife and children, is in hiding in Paducah from Lyon county night riders, who bound him with wires and weighted him with rocks preparatory to drowning him in a deep well. He made his escape and traveled a day and a night without a bite to eat, and claims he was maltreated because he knew too much of the night riders' organization.

The burning of a mail sack containing mail for the Cadiz postoffice, which was in the Gracey depot, recently burned by night riders, will result in the government taking a hand in investigating the fires. Another feature of the case is that the Illinois Central company is an Illinois corporation, and by reason of its doing an interstate business has rights beyond corporations holding their charter in this state. Any action which it may take through the courts will be judged in the federal courts.
